

New housing project for Nkqubela

Construction has begun on the Erf 136 Housing Project in Nkqubela. The project, which was approved by The Department of Human Settlements (Western Cape), will see the building of 172 standard RDP houses.

Misused skips removed

The skips placed in residential areas by Langeberg Municipality to create a central point for collecting garden waste were removed due to the skips being misused. Instead of using the skips for garden waste as intended, perpetrators used it to dump household and other waste, in and around it, illegally. This defeated the purpose of providing the skips, increased the waste management workload, and left residential areas where these skips were placed unsightly.

"Illegal dumping is becoming an increasingly tough challenge to deal with in the Langeberg municipal area," said Mr Glen Slingers, Manager: Solid Waste. "Not only does it create a health risk to our residents and an eyesore for our visitors, but it also pushes up municipal cleaning costs. Langeberg Municipality is doing its best to discourage illegal dumping, but need our community to join us in this fight.

By following the points below you will become part of recycling in the Langeberg area and ensure that your neighbourhood stays neat and tidy:

- Place your household waste in wheelie bins/black bags and put it outside on scheduled collection days.

- Use your garden waste for composting.

- Drop off garden waste at the Transfer Station in your town.

Communities are encouraged to work with the Langeberg Municipality to ensure that incidents are reported. We urge residents to take down the details of perpetrators and their vehicles, including registration numbers and, if possible, gather photographic evidence, so we can prosecute those who dump illegally.

Langeberg Municipality's Law Enforcement Unit handles the legal aspects of fines and all criminal procedures related to illegal dumping. The minimum fine for dumping or littering is R1 000, but it can be as high as R2 500.

Report illegal dumping!

Should you wish to report any illegal dumping, where an offender or vehicle registration can be identified, call the 24/7 Emergency Call Centre and Customer Service on 0860 88 1111 or email complaints@langeberg.gov.za.

Skips placed in residential areas were removed as a result of being misused to illegally dump household and other waste, in and around it.

Misbruikte rommelhouers verwyder

Die rommelhouers wat in die Langeberg-munisipaliteit in woon-gebiede geplaas is om 'n sentrale punt te skep vir die versameling van tuinafval, is verwyder omdat die houers misbruik word.

Inwoners het oortree deur die rommelhouers vir huishoudelike en ander afval te gebruik eerder as vir tuinafval soos die bedoeling was en dit onwettig daarin gestort. Dit het die oorspronklike doel van die houers misken, die afvalbestuurswerkklading verhoog en die woongebiede waar hierdie houers geplaas is, onooglik gemaak.

"Onwettige storting is 'n moeilike uitdaging in die Langeberg-munisipale gebied. Dit hou nie net 'n gesondheidsgevaar vir ons inwoners in nie, maar dit skep 'n vieslike gebied waarin besoekers moet vaskyk nie en verhoog ook munisipale opruimingskoste.

"Die Langeberg-munisipaliteit doen sy bes om onwettige storting te ontmoedig, maar ons het die gemeenskap nodig om hierdie stryd saam met ons te bestry," het mnr. Glen Slingers, die bestuurder van vaste afval, gesê.

Inwoners kan die onderstaande punte volg om deel te wees van herwinning in die Langeberg-omgewing en sodoende verseker dat jou omgewing altyd skoon en netjies bly:

- Plaas jou huishoudelike afval in wielerdromme of swart sakke en plaas dit buite op die geskeduleerde dae wat afval afgehaal word;
- Maak kompos van jou tuinrommel; en
- Laai oorbodige tuinafval by die

Die onwettige storting van vullis kan ernstige gevolge hê op mense se gesondheid en op die omgewing.

tuinafvalstasie in jou dorp af.

Gemeenskappe word aangemoedig om saam met die Langeberg-munisipaliteit te werk om te verseker dat voorvalle aangemeld word.

"Ons moedig inwoners aan om die besonderhede van oortreders en hul voertuie neer te skryf, onder meer registrasienommers, en – indien moontlik – fotografiese bewyse te

verskaf sodat ons die skuldiges wat rommel onwettig aflaa, kan vervolg."

Die Langeberg-munisipaliteit se wetstoepassingseenheid hanteer die regsaspekte van boetes en alle misdadige prosedures wat met onwettige rommel verband hou. Die minimum boete vir storting of rommelstrooiing is R1 000, maar dit kan tot R2 500 wees.

Meld onwettige rommelstorting aan!

Dancers making waves

Dancescape South Africa (DSA) is a non-profit organisation, established in 2016 by Fiona and Mitya Sargeant. DSA facilitates dance classes in Zolani every afternoon of the week, where more than 50 kids, ranging from 4 to 19 years old, are taught, employing full-time and trainee teachers. The project helps to get the kids of Zolani off the streets and away from drugs and violence. It stimulates both mind and body and, above all, gives disadvantaged youth hope.

Due to generous funding from various individuals and other organisations, such as the Langeberg Municipality, DSA has been able to effect many improvements.

"We built a proper sprung floor so our dancers could jump minimising

the risk of developing stress injuries," said DSA CEO Mitya Sargeant.

"We were also able to install a barre so that our dancers could participate in ballet barre work."

Opportunities for further training in Cape Town, at institutions such as the Cape Academy of Performing Arts (Capa), have been provided by DSA. Many of the organisation's alumni are working as professional dancers in South Africa and abroad.

Family affair

Siblings Siphe, Mthuthuzeli and Aviwe November all started their dance journey at DSA. Siphe is currently based in Canada, with the Canadian National Ballet, while his elder brother, Mthuthuzeli, is a dancer and choreographer with Ballet Black in London. Aviwe

November is the youngest of the three, and is a qualified professional dancer working both locally and abroad.

Student life

Lihle Mfene and Lutho Zwendala are currently studying at the Cape Academy of Performing Arts to become professional dancers. Entry to this three-year course is via audition, and both South African and international students of a proficient standard are welcome to apply. Dancescape South Africa financially supports these students with expenses.

Thimna Ndwe, who is one of DSA's trainee teachers, attended the San Francisco Dance Summer School in 2018. She also taught at the Gugulethu Arts and Leadership Project in

preparation for a performance at the Baxter Theatre. Sargeant thanks the municipality for its support: "We rely on the funding of many individuals and organisations from around the world. We thank the Langeberg Municipality for its contribution to helping our organisation, and hope it will continue to support Dancescape South Africa in the future."

Get involved and donate

Dancescape South Africa relies on its own fundraising performances and donations to keep it afloat. If you would like to make a donation or get involved with DSA you can visit its website dancescapesouthafrica.org.za, or contact Mitya Sargeant at 023 614 3682/078 295 7879/ or mr.mitya@gmail.com.

Dansers gaan van krag tot krag

Dancescape South Africa (DSA) is 'n organisasie sonder winsbejag wat in 2016 deur Fiona en Mitya Sargeant op die been gebring is.

DSA bied elke middag van die week dansklasse in Zolani aan waar meer as 50 kinders tussen vier en 19 jaar oud afrigting ontvang. Verder bied dit ook werksgeleenthede aan vir dansafrigters en studente. Dié projek help om die kinders van die straat af te hou en weg te hou van dwelms en geweld. Dans bevorder nie net die gesondheid van die liggaam en siel nie, maar gee ook vir die jongmense hoop.

Met die hulp en finansiering van inwoners en organisasies soos die Langeberg-munisipaliteit kon DSA baie verbeterings aanbring.

"Ons het 'n nuwe dansvloer aangebring wat beteken dat die dansers kan spring en dans sonder om beserings op te doen. Ons het ook balletbalke gebou sodat die dansers ekstra oefeninge kan kry," het die uitvoerende hoof van DSA, Mitya Sargeant gesê.

Die DSA verskaf ook verskeie geleenthede om verder te gaan

studeer en instansies soos Cape Academy of Performing Arts (Capa) ondersteun DSA. Baie van dié organisasie se oudstudente werk as professionele dansers in Suid-Afrika en oorsee.

Familie

Die sibbe, Mthuthuzeli en Aviwe November se dansloopbaan het by DSA begin. Siphe November werk tans in Kanada en is deel van die Kanadese nasionale balletgeselskap terwyl sy ouer broer, Mthuthuzeli November, in Londen by Ballet Black dans en ook 'n choreograaf is.

Aviwe November is die jongste van die drie en werk plaaslik en oorsee as 'n gekwalifiseerde, professionele danser.

Studentelewe

Lihle Mfene en Lutho Zwendala studeer tans by Capa en wil graag professionele dansers word. Om aansoek vir die driejaarkursus by Capa te doen, moet jy vir oudisies gaan. Suid-Afrikaanse en buitelandse studente is welkom om aansoek te doen. DSA dek al die studente se uitgawes.

Thimna Ndwe, een van DSA se

onderwysers, het die San Francisco-danssomerskool in 2018 bygewoon. Sy gee ook klas by die Gugulethu Arts and Leadership Project om dié studente voor te berei vir hul optredes by die Baxter-teater.

Sargeant bedank die munisipaliteit vir sy hulp: "Ons maak staat op die finansiering van baie individue en organisasies oor die hele wêreld. Ons bedank die Langeberg-munisipaliteit vir sy ondersteuning en hoop dat hy sal voortgaan om DSA in die toekoms te help."

Raak betrokke en skenk

DSA maak staat op geldinsamelingsprojekte en skenkings om aan die lewe te bly. As jy graag by DSA betrokke wil raak, besoek sy webwerf by dancescapesouthafrica.org.za of skakel Mitya Sargeant by 023 614 3682 / 078 295 7879 / mr.mitya@gmail.com
