No late submittals will be considered.

**Actophambili
Group**

Good day.

We as Actophambili Roads will conduct a Reseal and maintenance contract in the areas around Bonnievale and Ashton.

The roads that will be affected:

Rietvallei Wines to the R317

Arabella Wines to the R317

Zandvliet way (Unipack - Langeberg Foods)

Stormsvlei road (R317 - 5km past the Rooibrug)

R60 to Bonnievale Voortrekker st (around the church, by the school)

The project will run up till November.

Work on the 3 smaller roads will commence by 14th of March. There will be Stop and Go's in place and will affect traveling times.

We will not have 24Hour Stop and Go's in place at this stage. There will be 24Hour Stops in place once the rehab section starts.

This area will be around the Church and School.

We do ask if you stay on these routes please refrain from driving in our work areas.

Thanks for your patience during the construction time.
