We are offering **YOU** a chance to build a better future with our Masakh'iSizwe Bursary Programme

What is the Masakh'iSizwe Bursary Programme?

The Western Cape Department of Transport and Public Works established the Masakh'iSizwe Bursary Programme in 2006 to help address the shortage of critical and scarce skills in the transport, engineering and built environment fields.

The Programme provides support for young people to study towards a degree, higher diploma or postgraduate qualification at a higher education institution in the Western Cape. It aims to support the development of the province and South Africa as a whole.

Which areas of study qualify for support from Masakh'iSizwe?

Masakh'iSizwe offers bursaries for studies towards a degree, higher diploma or postgraduate qualification in the following disciplines:

- Property studies
- Transport economics
- Transportation engineering
- Mechatronics
- Electrical or electronic engineering
- Civil engineering
- Construction management
- Mechanical engineering
- Quantity surveying
- Town, city or regional planning
- Architecture
- Other relevant fields

What does the bursary cover?

During semester time, the bursary covers:

- Tuition fees
- Accommodation and meals (or transport costs)
- All prescribed books and materials
- Support programmes

Bursaries are renewed each year for the duration of the course, subject to acceptable academic performance and the fulfilment of all other bursary terms and conditions.

Where can the bursaries be taken up?

- University of Cape Town

- Stellenbosch University

Will I have to pay anything back?

The bursaries are offered on a work-back basis. In other words, you will have to work in the public service for one year for every year you have received a bursary. During your studies, you will also be required to:

- Attend workshops, learning events and meetings
- Undertake academic vacation placements
- Take part in service learning and/or volunteer programmes

Who can apply for a bursary?

To apply for one of these bursaries you must be:

- A South African citizen
