

**APPLICATION FOR A TEMPORARY STREET CLOSURE
& THE ERECTION OF A TENT (if applicable)**

2024 / 2025

(Please note that **all** the affected residents must sign the form on Pg. 2, otherwise the Municipality might be disinclined to approve the application, as the streets are there for use by all residents at all times.)

..... (Organization / Family)

REQUESTS THE MUNICIPALITY FOR THE TEMPORARY CLOSURE OF:

..... (street) in (town)
 between (number or street) and (number or street)
 from (date) to (date)
 from (time) to (time)

FOR THE FOLLOWING REASON: (E.g. a social event or a TENT for a funeral)

.....

FINE: Please note that you **will be fined R267.00** if you damage the tarmac of the street in any way whatsoever (e.g. putting tent pegs into the tarred surface.) You must find an alternative method to secure the tent. The Municipality will inspect the site after erection of the tent, to check for compliance with this strict requirement.

PLEASE TICK THE BOX BELOW, where applicable

(If not applicable, the Municipality shall close the street on your behalf, which will incur extra costs for you.)

We ask the Municipality to deliver the drums to my home address as stated below. We shall roll the drums out ourselves and keep it safe for re-collection on the next working day. We know **that an administration / handling fee is payable** for the temporary closure of a street.
 The amounts payable are:

MONDAYS - FRIDAYS (08h00 – 16h30)	AFTER HOURS (after 16h30 & on weekends)
R 388.00 per street being closed	R 671.00 per street being closed

We also wish to erect a TENT in the street and undertake not to put any tent pens into the tarred surface of the road. We take note that the Municipality will fine us if we put tent pegs in the tarred road, as this damages the street.

We have spoken to all the affected residents and nobody raised any objections to the proposed temporary closure.
Attached on page 2 is a list of signatures in this regard.
