Dear House Owner

IRRIGATION WATER 2025/2026: ROBERTSON AND MCGREGOR

The supply of irrigation water in Robertson and McGregor will be revised on 1 July 2025. If you want to make any changes to your irrigation water supply, please complete the attached form and send it back to us **on or before 31 May 2025.**

If no application is received, it will be accepted that the *status quo* of the irrigation water supply to your erf has to be maintained.

The supply of irrigation water will be terminated on 1 July 2025 to consumers who are in arrears with their municipal accounts on 31 May 2025.

An amount of R4 088,00 (VAT included) is payable for new applications. (Two frames and one sluice will be provided by the municipality).

An amount of R839,00 (VAT included) will be recovered from users of irrigation water on notice of cancellation. This money will be utilised to close off irrigation inlets to your property.

A flow volume for irrigation water of approximately 11.5 litre per second is foreseen.

Yours faithfully
