

**EXPENDITURE OF THE 2021/2022 BUDGET MEASURED BY THE TOP LEVEL SDBIP FOR THE FOURTH QUARTER (5/1/3) (DIRECTOR: STRATEGY AND SOCIAL DEVELOPMENT)**

**Purpose of report**

To submit a report to Council regarding the expenditure on the 2021/ 2022 budget for the fourth quarter as measured by the approved Top level SDBIP

**Background**

Section 52 (d) of the Municipal Finance Management Act, 56 of 2003, requires that a Mayor must, within 30 days of the end of each quarter, submit a report to the council on the implementation of the budget and the financial state of affairs of the municipality.

This report informs Council on a quarterly basis of the expenditure and performance in the Budget.

*The municipality is currently, in terms of section 126 (1) (a) of the MFMA, preparing the annual financial statements for the financial period ended 30 June 2022 and the financial information available is not a true reflection of the financial position of the municipality as a lot of year-end journals and processes must still be finalised which will influence the final financial results. This report represents the progress as at 01 July 2021 with relation to the year-end finalisation of 30 June 2022*

**Comments:**

The relevant documentation will be provided separately.
