

HUGUENOT TUNNEL

NIGHT-TIME CLOSURE

From 14 June 2021 to 30 September 2021

The Huguenot Tunnel will be closed
to ALL TRAFFIC between 22:00 and 06:00
Mon – Thur (10pm and 6am)

These closures will enable SANRAL to perform vital improvements to the safety systems of the tunnel and are timed to minimise inconvenience to our valued road users.

TIP

While there are several alternative routes, the Huguenot Tunnel remains the quickest and most convenient. To avoid unnecessary delays and detours, plan your trip to avoid travel during the days and times of the closures.

To avoid unnecessary delays we urge you to plan your route to avoid travel through the tunnel between 22:00 and 06:00 Mon-Thur
OR consider using alternative routes marked on the maps.
