Dear Interested and Affected Party

**Proposed Construction of an Off-Stream Balancing Dam on
Portion 1 of Farm Sand Drift No. 220, Bonnievale**
Final Environmental Impact Assessment Report (EIAR)

This letter serves as notification that the Final Environmental Impact Assessment Report (EIAR) has been submitted to DEA&DP. The full final EIAR and Comment & Response Table may be downloaded or accessed from the following link: <https://tinyurl.com/y3aazzw4>.

Any additional comments should be directed to DEA&DP, with a copy sent to the EAP indicated below.

If there are any problems downloading the reports, or should there be any queries, please do not hesitate to contact me.

Should you have any queries please do not hesitate to contact me.

Yours sincerely

Mische Molife
