

Call for interested service providers to submit capability report: Development and implementation of a comprehensive Geographical Information System (GIS) to be implemented within the Langeberg Municipality

The Langeberg Municipality has identified the need to acquire the services of a suitably qualified service provider for the development and implementation of a comprehensive Geographic Information System (GIS). To achieve this goal the Langeberg Municipality requests all suitably qualified service providers to submit ample proof indicating a minimum of 3 municipal GIS projects completed by the service provider in the previous 5 years.

Interested suitably qualified service providers are accordingly invited to participate in submitting sufficient proof of competency with regards to Municipal GIS projects completed. All suitably qualified service providers will be entered in a database and will be requested to deliver a 30 minute presentation to the Langeberg Municipality on GIS development possibilities for the Langeberg Municipality. This presentation will need to include an indicative costing.

The service providers that have complied with the above mentioned will then be afforded the opportunity to take part in the competitive bidding process for the **Development and implementation of a comprehensive Geographical Information System (GIS) to be implemented within the Langeberg Municipality**

Interested suitably qualified service providers must compile a list of ample proof indicating a minimum of 3 municipal GIS projects completed by the service provider in the previous 5 years including a list of references and values of previous Municipal projects undertaken and enclose in an envelope clearly marked **Call for interested service providers to submit capability report: Development and implementation of a comprehensive Geographical Information System (GIS) to be implemented within the Langeberg Municipality**, the envelope is to be submitted in the tender box at the Municipal Offices, 28 Main Road, Ashton before 12:00 on Friday, 04 March 2016 where after envelope will be opened in public and only the service providers name will be read and recorded.

Information received after the above mentioned time will not be accepted. Information received by fax will not be accepted. Proof of despatch of information will not be regarded as proof of receipt thereof.

For further information or any challenges to complete the required information, can be directed to Mr NW Albertyn on telephone number 023 626 8200
