

**NOTIFICATION
of Public Participation
Meetings for the
Langeberg Local Municipality
Air Quality Management Plan
Tender Reference:
TENDER-53/2025**

The Municipal System Act (No 32 of 2000) requires that all municipalities prepare an Integrated Development plan (IDP) through an integrated planning process to give effect to the Bill of Rights in the Constitution. The Langeberg municipality's IDP has identified air quality as a priority focal area. As such the Municipality is developing an AQMP to address air quality over a five-year planning and financial period to align itself with the IDP.

- The Langeberg Local Municipality has initiated the development of an AQMP to address the current and future state of the air quality.
- Stakeholders are invited to attend the Public Participation meetings for the Langeberg Local Municipality AQMP.
